

October 8, 2018

Dear Seventh and Eighth Grade Orchestra Parents,

The Daniell 7/8 Grade Fall Orchestra Concert is coming up quickly and the students are getting ready to perform for you. The concert is **Wednesday, October 10th at 7pm** and the program will include the 7<sup>th</sup> Grade Sinfonia and the 8<sup>th</sup> Grade Philharmonic.

For this concert, we will be performing at the **Wheeler High School Concert Hall** located at 375 Holt Road, Marietta, GA 30068. Please see the back of this sheet for directions and specific parking info.

Concert uniform is expected and required for this performance. All students should plan to include black socks/hosiery that cover the ankle and closed-toed, black shoes. **Sneakers or shoes with white soles are NOT acceptable dress attire.** Please observe the Daniell Orchestra Uniform Policy and adhere to the guidelines presented in our syllabus at the beginning of the year. The orchestra should always strive to not just sound great, but look great as well.

Following 7<sup>th</sup> grade's performance, students are asked to stay and listen to their 8<sup>th</sup> grade peers silently in the student section rather than leaving the event.

**Parents/Guardians**, please do not exit/enter the theater during pieces. Please wait until we finish a piece unless a small child becomes distraught. Keep in mind that every sound in the theater is recorded onto our CDs and DVDs. When there is a phone ringing or people talking or other noises, we can't use the recordings for future competition submissions. Please respect the performers during the concert.

Professional audio CD recordings are available for \$15 and DVDs for \$20 in the lobby. We will also be selling t-shirts for \$10, hoodies for \$15 and magnets for \$5. All sales will occur before and after the concert only, so please do not send money to school with your child for these items. Payment will be accepted in cash or check only.

I thank everyone for their support of our music program here at Daniell middle school. Our exponential growth and fulfilling success wouldn't be possible without the positive encouragement and involvement from our Orchestra families.

Kind Regards,

*Mrs. Krystal Newton*  
Daniell Orchestra Director
