

Dear Sixth Grade Orchestra Students and Parents:

I hope you all enjoyed our 2018 winter concert! The students did an amazing job and set the bar higher than ever before here at Daniell Middle School. They are working hard and their next big performance is coming up in March.

The 2019 Sixth Grade String Jamboree will be held on Thursday, March 21st here at Daniell Middle School. Sixth grade orchestra students from Palmer, McCleskey, and Daniell will participate in this combined concert in the gym, which should total around 200 students or more playing all together on the same music.

On the day of Jamboree, students will not be permitted to stay after school. Students must take their normal transportation home and eat a filling dinner. They should return to Daniell no earlier than 5:00 in their concert attire for rehearsal in the gym beginning promptly at 5:30. The actual concert will then begin at 6:30 and conclude at 7pm. All students **MUST** be picked up as quickly as possible so that the custodial staff can begin their nightly duties promptly and without interference.

Due to the high traffic volume and limited parking, you may need to park at Piedmont Baptist Church or in the Old Time Pottery parking lot on Canton Road and walk over. **DO NOT PARK ON THE GRASS OF THE RESIDENTS NEAR THE SCHOOL.** Your car may be towed as it is private property. Please allow plenty of time to find parking.

Each student will need the following items on the day of Jamboree:

- 1. A portable music stand. No stands will be provided at the concert.**
Color/brand does not matter. Label it with your first and last name!!!!
- 2. Instrument and Jamboree spiral music book.**
- 3. Orchestra polo and concert black attire.**
(NO jeans, NO white socks, NO white soles!)

All performing arts concerts at Daniell Middle School are graded based on several categories, all of which can be found in detail on daniellorchestra.org under forms. Please note that students grade themselves based on their completion of each category. It is important that they follow all of the directions listed above in order to earn a 100.

Kindest Regards,

Krystal Newton

Orchestra Director
Daniell Middle School
