

November 21, 2019

Dear Seventh and Eighth Grade Orchestra Parents,

The Daniell 7/8 Winter Orchestra Concert is coming up quickly and the students are getting ready to perform for you. The concert is **FRIDAY, 12/13 at 7pm** and the program will include the 7th Sinfonia, 8th Philharmonic and the Chamber Orchestra.

This year we will be performing at spectacular **Kell Concert Hall**. It is extremely important to **arrive by 6:30** to allow plenty of time to find parking and warm up. Go directly back stage when you arrive and unpack.

7th Grade **will pack up quickly** when they switch with Chamber. They will then take a seat with their instrument cases in the audience to watch the other groups. Cellos and basses can leave their cases back stage until they leave. It is expected that students stay to watch other groups, not leave before it's over. **All** of our students deserve a full audience.

The official concert uniform is required for this performance. All students should plan to include black socks/hosiery that covers the ankle and closed-toes, black shoes. Sneakers/tennis shoes are **NOT** acceptable. Please observe the Daniell Orchestra Uniform Policy and adhere to the guidelines presented in our syllabus at the beginning of the year. The orchestra should always strive to not just sound great but look great as well.

During the performance of a piece, please do not exit/enter the theater unless a small child becomes distraught. Keep in mind that every sound in the theater is recorded onto our DVDs. When there is a phone ringing or **talking** or other noises, we can't use the recordings for future competition submissions. Please respect the performers during the concert.

Professional DVDs are now for sale at a lower price! They are available for \$10. You may purchase them using the QR code or link in your program and pay using my payments plus OR send money/check made out to Daniell MS to school with your child.

I am looking forward to seeing you on **Friday, December 13th!**

Krystal Newton
Daniell Orchestra Director
